Payments are made direct to the peripatetic music teacher concerned. One full term's written notice is required to terminate lessons. Request forms can be requested from Admissions via registrar@kgs.org.uk. Subject to availability a range of

school instruments are available for hire, free for the student's first term then £40.00 per term thereafter.

### **Uniform and other charges**

In addition to fees and the above extras parents should also note that they will need to purchase uniform and sports kit (from the School's chosen suppliers) and there may be additional charges relating to optional trips, some co-curricular activities and compulsory subject field trips.

### **Insurance**

The cost of Personal Accident Insurance (incorporating dental cover) is included in the tuition fee.

Parents should ensure they have appropriate insurance cover for student personal possessions and other risks as they believe appropriate. Optional policies are available through the School as detailed under optional charges above. The School does not accept any responsibility where parents do not have adequate insurance cover.

When students are travelling on school trips, they are covered under the KGS Travel Insurance and in terms of medical treatment this will cover the emergency treatment required whilst away. On return home after the trip, if any further treatment is required this is not covered under the travel insurance. Please take time to consider the insurance options available through the School.

### **Deposit**

A deposit is payable on acceptance; the deposit is non-refundable if the child does not take the place at the School. Deposits less any sum outstanding and due to the School are refunded to either of the parties signing the Acceptance Form and Parent Contract once the child has left the school and all additional charges are settled.

### **Fees**

Governors review fees annually and parents are informed a full term in advance of a change, normally by the end of March. Exceptionally, if unforeseeable conditions arise, a review may be necessary at other times and in these circumstances, parents would be informed at least a full term in advance of a change.
